## A new Big Sister or Brother...

November 3, 2010 // 0

A couple of months ago I stumbled across [Jumee Products](#). My dear friend just had her second child and I was looking for something to buy her older child so she wouldn't feel left out. [Jumee](#) has big sibling gifts that are so cute! Also this company is own [by two moms](#), which I think makes their products even more worth buying. This is another northwest company but no matter where you live there products are pretty adorable.

They have a variety of big sibling gifts from T-Shirts to backpacks to big sibling kits. They also have the cutest blankets for babies:
